

Electrical & Data Solutions for Industrial Operations

Driven by Excellence. Powered by People. Focused on Safety. Built for Growth.

Powering industrial manufacturing with precision and reliability

Process Control Services (PCS) UK Ltd provides specialist electrical and data engineering solutions for manufacturers across the UK. We help make complex industrial site processes simpler, safer and more efficient to run and manage. Through technical expertise, trusted engineering and a customer-focused approach we deliver long-term performance and reliability, not just short-term fixes.

What We Do

From design and installation to maintenance and compliance, PCS provides full lifecycle support.

ATEX & DSEAR

- BS EN 60079 compliant
- Hazardous area inspections & reporting
- CompEx-certified engineers

Thermal Imaging Surveys

- Identify hidden faults early
- Reduce fire risk
- Prevent unplanned downtime

Planned Maintenance

- Proactive, not reactive
- Reduced downtime
- Improved long-term reliability

Data & Networking

- Network design, installation, and upgrades
- Fibre, copper and wireless infrastructure
- Access control & CCTV systems

Inspection & Testing

- BS7671 & site-specific requirements covered
- C&G 2391-52 certified engineers
- Trusted by 100+ production sites

Electrical Installations

- Design to commissioning
- Capital projects & site upgrades
- EV charging infrastructure

On-Site Electrical Support

- Shift cover & resource support
- Seamless integration with your team
- Minimal disruption

Control Panel Design & Manufacture

- Bespoke design & testing
- In-house panel build (BJ Control Panels)
- Installation & commissioning

Trusted by Leading Industrial Companies

Holcim | AstraZeneca | CEMEX | Molson Coors | National Grid | Nestlé
Siemens | Tarmac | Weleda UK Ltd | Stainless Steel Design Ltd | Reckitt
Watlow (Eurotherm) | Phase Biolabs Ltd

Why choose PCS?

- Industrial specialists for more than 25 years
- Safety-first approach
- Compliance you can trust
- Solutions built for long-term performance
- Nationwide cover
